Principal's Message – May 2012

Dear Students and Parents/Guardians:

Dear Students and Parents/Guardians:

I am sure you have noticed the construction that is taking place on campus while the solar panels are installed. The project is moving along as expected to be completed in mid-May. Please drive with caution when on campus and keep a close eye out for signs and cones directing traffic. We may need to change the traffic flow on short notice as equipment is moved from one location to the next.

We are in the middle of preparing for STAR Testing. STAR Testing dates are May 7th-14th. Make-ups will take place through May 18th. Thank you for helping prepare your great kids each day to perform their best on the STAR. You can view sample STAR questions by going to www.cde.ca.gov/ta/tg/sr/css05rtq.asp. This is good practice for your student.

On Sunday April 22th, 29 Canyon students were honored at the *8th Annual Cultural Pursuits Student Achievement Awards* presented by the *Southern Alameda County Alliance of African American Educators* held at Chabot College. (See article on next page.) The ceremony was an inspiring event and we are all very proud of our award recipients.

Thank you to all the volunteers who helped to beautify the Canyon school campus on Earth Day, April 28th. We planted trees, trimmed bushes, weeded, and did several beautification projects around campus. Thank you to all who came out and joined us!

Our final PTA meeting of the year will be held Tuesday May 8th at 7 PM in the Canyon Library. We will elect officers for next year and Canyon staff will honor our PTA volunteers with a reception for all they do to support our students and staff. I look forward to seeing you at the meeting.

Eight grade student, **Jessica Yin**, was one of winners of the prestigious Marian Huhn Award, a scholarship awarded by the **California Junior Scholarship Federation**. CJSF is the middle school affiliation of CSF, California Scholarship Federation—the high school component. Canyon has won this award seven times over the years. This scholarship is for the whole Central Coast Region of California. Jessica is the President of our Canyon Chapter of CJSF. She has provided leadership for the group in fundraising, tutoring, and other civic endeavors. **Elizabeth Bau** was also a nominee for this award. The scholarship is about 8-10 pages long and provided training for future scholarships as students move forward in their academic careers.

As we enter the final quarter of the year, Administration has met with students to review behavior expectations and remind students that participation in school events such as 8th grade advancement, end of the year activities, dances, yearbook parties, and athletics are a privilege. Students who violate school policies will not be allowed to participate in these events. Each year students make inappropriate choices and are not able to participate. Please encourage your student to FINISH STRONG.

I look forward to the end of the year activities. I hope to see you at many of them.

Sincerely,

PLEASE UPDATE PHONE/CONTACT INFORMATION:

Please be sure that you notify the office of any changes to phone numbers, address, and emergency contact information.

We are coming to the end of the year and counselors want to encourage all students to finish strong. Students need to keep studying right up to the end of school and make sure they are obeying the Canyon Code of Conduct. There are many fun activities towards the end of school and we want to make sure that all students can participate!

Parent tips to help prepare your child for the STAR test in May:

The night before:

- Help your child get to bed on time. Research shows that being well-rested helps students do better.
- Help children resolve immediate arguments before going to bed.
- Keep your routine as normal as possible. Upsetting natural routines may make children feel insecure.
- Mention the test to show you're interested, but don't dwell on it.
- Plan ahead to avoid conflicts on the morning of the test.

The morning of the test:

- Get up early to avoid rushing. Be sure to have your child at school on time.
- Have your child eat a good breakfast but not a heavy one. Research shows that students do better if they have breakfast before they take tests.
- Have your child dress in something comfortable.
- Be positive about the test. Acknowledge that tests can be hard and that they're designed so that no one will know all of the answers. Explain that doing your best is what counts. The important thing is to make your child comfortable and confident about the test.

*Canyon Counselors would like to **congratulate** 3rd quarter's entire "**Student of the Quarter**" recipients. Here is the list of students doing exemplifying things at Canyon!

CJSF News *California Junior Scholarship Federation*

We want to thank all of the hard workers who planted daffodils earlier in the spring. They looked so nice coming up to the school! Great job guys!

We have received a number of entries for the Canyon Scholarships. CJSF has a number of opportunities for students. We take part in the Marian Huhn awards and announcement of our winners will be posted on my TeacherWeb if/when we win. We also have a Seventh Grade Scholarship, and Eighth Grade Scholarship and a Writing Scholarship. All of these are opportunities for students to learn how future scholarships work and hopefully avoid amassing student debt for years to come! Questions? Please contact me at

★ Student Activities ★

Check out the upcoming events on TeacherWeb at

<http://teacherweb.com/CA/CanyonMiddleSchool/StudentActivities/wscal1.aspx>

Canyon's 11th annual Celebration of Diversity was wonderful! Thank you to all of the students, parents, and staff that volunteered their time and efforts to make the week a great success! During the week of April 2-6 Canyon's Leadership class led a variety of cultural games during lunch, and helped to prepare for our two headliner events, the **Food Faire** on Wednesday, and the **Cultural Talent and International Fashion Show** on Friday. For our first run at having the Food Faire in the evening, it turned out to be a great success! We had over 300 participants, both students and their families, and we look forward to continue holding this event in the future. At our Talent and Fashion Show, we showcased our talented Canyon students and saw a variety of performances including song from South Africa and American classics, as well as traditional Irish, Samoan, Puerto Rican, and Indian dances, while student models dressed in beautiful cultural attire and strutted their stuff. Student Activities extends a big **THANK YOU** to all who contributed food, supplies, and time for supporting our efforts to increase our awareness and to celebrate Canyon's incredible diversity.

End-of-the-year Activities: It's time to start thinking about the end-of-the-year school activities. Students with good behavior records (reference the Behavior Points Record sent home earlier this month) are encouraged to attend their grade-level activity.

- **8th grade Great America Field Trip:** Eighth graders with good behavior records will be signing up during the week of **April 30-May 4**, for their field trip to Great America on **June 12**. Permission slips were handed out April 23; if your student misplaces it, the form is available online on the Canyon Website.

*Please note: **We cannot accept late orders!** If your child misses the deadline, he/she will be placed on a waiting list.*

- **7th & 6th grade Cull Canyon Field Trip:** Our **7th graders** will spend the day at Cull Canyon park on **June 12** and our **6th graders** will enjoy Cull Canyon on **June 13**. Permission slips will be going home soon. Per the East Bay Regional Parks District, we need to have one adult chaperone for every 10 students, so we can really use your help!

If you are interested in volunteering to supervise this event, please contact the appropriate person:

- 6th grade Team Leader, Diane DeYoung (ddeyoung@cv.k12.ca.us)
- 7th grade Team Leader, Mary Deisenroth (mdeisenroth@cv.k12.ca.us)

DANCE, DANCE, DANCE!!!! 6TH graders, it is finally your time to dance! On May 18th, you can enjoy your own dance from 3:30-5:00pm. The cost will be \$3, but if you earn a STAR coupon during testing, you can enter for FREE! The PTA provides snacks, so be sure to bring a dollar or two for treats. **Also, be sure to clear book/library fines and keep a good behavior record so you can enjoy the fun.**

7th and 8th graders will have their last dance together on the evening of May 18th from 7:00-9:00pm. They, too, can use their STAR coupons for free admission. Keep those behavior records clean so you can attend the dance!

7th, 8th, and 9th Grade Elections: We will be holding elections for the 2012-2013 officers at the end of May. Current 6th graders can run for ASB Treasurer and 7th Grade Class President. Current 7th graders can run for ASB President, ASB Vice President, and 8th Grade Class President. Current 8th graders can run for two Freshman Leadership positions at Castro Valley High School. Listen to the bulletin for election packet pick-up and turn-in dates.

Please listen to the **daily bulletin** to get updates on lunchtime events.
Information is also posted on the calendar at the entryway to school.

~Ms. Hsu and Ms. Shen, Activities Directors

Attention 8th Grade Parents/Guardians (and students): It is a great time to familiarize yourself with Castro Valley High School's website which you can find at <http://castrovalleyhigh.org>. It is a great source of information and for you and your student. .

8th Grade Advancement – Thursday, June 14, 2012, 2:00 pm

Please mark your calendars for the upcoming 8th Grade Advancement scheduled for Thursday, June 14th at 2:00 pm. (This event is held at Castro Valley High School Football Stadium and there is no limit on attendees no tickets required).

Please note that the Canyon dress code will be enforced and that **FLAT SHOES only** are permitted on the stadium turf. **Participation in Advancement on June 14th is an extracurricular activity and students must meet the requirements for participation.**

SCHOOL SAFETY: Please be sure students are being dropped off and picked up in the proper areas when coming to or leaving school. **Students ARE NOT to be dropped off/picked up in any RED ZONE or crosswalk at any time.** Students are also not to be dropped off/picked up in the Staff Parking lot near the tennis courts/music rooms. **Please do not enter the wrong way into the visitor section of the front parking lot.** We understand this is sometimes an inconvenience but keeping students and families **safe** is a top priority.

LIBRARY NEWS MAY

<http://teacherweb.com/CA/CanyonMiddleSchool/CanyonLibrary/apt31.aspx>

The Scholastic Book Fair was very successful. I hope you were able to come into the library and look at the Scholastic merchandise and also take a look at our wonderful library. Canyon Library will be getting some new books with the funds that were earned from the fair.

This month we will be getting \$1500 worth of books from the PTA. The students love reading the next in a series or the latest greatest book that has just come out. None of this would be possible if PTA didn't help fund the library. Thank you.

Please talk with your student to make sure ***their library account is clear***. They can come into the library and ask the clerks to check their account, or we do postings of past due or lost books before all the school activities, like a dance, special sports game or the end of the year activities. If your student has a book from the elementary school that was lost, or you have it still at home, it must be turned in either here or at the elementary school to clear their account. Also, if your student is an eighth grader, your lost books and fines will follow them to Castro Valley High School. ***Now is the time to get your students account clear, before the end of the school year. Only cash and money orders will be accepted for lost books after April 30th.***

THE HOMEWORK CLUB is available in the library every afternoon from 3:00-4:30 (Mon-Thurs) 3:00-4:00 (Fri). Students will earn points and receive assistance if needed. The homework club will not meet on the first Tuesday of each month or on early release days. Toward the end of the year we do have special events that come up that will require the use of the library. ***Remember this is not daycare***, and if your student is not working quietly, they will be asked to leave.

WRESTLING UPDATE: Canyon League Finals

What a day. The last tournament of the year, started bright and early for many of the young wrestlers and parents of wrestlers. With weigh-ins starting at 6:30 a.m. the team for the most part arrived at the Albany High School site at 7:00 a.m.

What was not visible was the anxious evening and restless night many a wrestler and parent spent waiting for this moment. This was the climax of season spent training, conditioning and wrestling. This was the end of a season trying to balance school and wrestling. This was the end. For some the end of all their middle school dreams. For some just the end of this school year, then hopefully another chance at the brass rings. The brass ring that is the title "League Champion", a title won by some and for others that brass ring that was just missed. With four man brackets and a minimum of three matches for each competitor it was going to be an exciting day of wrestling. At the end with all competitors receiving a medal for their efforts all eyes were focus on the distribution of the coveted team trophies.

Starting out, the surprising sixth graders took the much coveted *League Champion Trophy*. Congratulations on a job well done. It was well deserved as each wrestler put out their best effort.

The Seventh Graders did well but just did not have the numbers to get one of the trophies. The effort put forth by each wrestler was awesome.

The Eighth Graders were in the hunt also for the League Championship just missing the top prize by a mere 18 points. Though disappointed, at the end they knew they had tried their best and left no regrets. Second Place in a league of 13 schools was not too shabby.

Another pleasant surprise was the Girls team. Tied for third with Alvarado Middle School, each of the girls performed at the highest level. Their day of wrestling however will not end here as they prepare for the State Championships next Saturday.

As coaches we appreciate all the hard work and attention most of the wrestler showed to the program and thank the wrestlers and those who support the Canyon Wrestling Program. Till next year.
